A 4000
MOTOR AND FILTER

This exploded view diagram illustrates the components of the A 4000 Motor and Filter assembly. The main assembly is shown in a perspective view, with various parts numbered 1 through 11. A large, faint 'A' watermark is visible in the background.

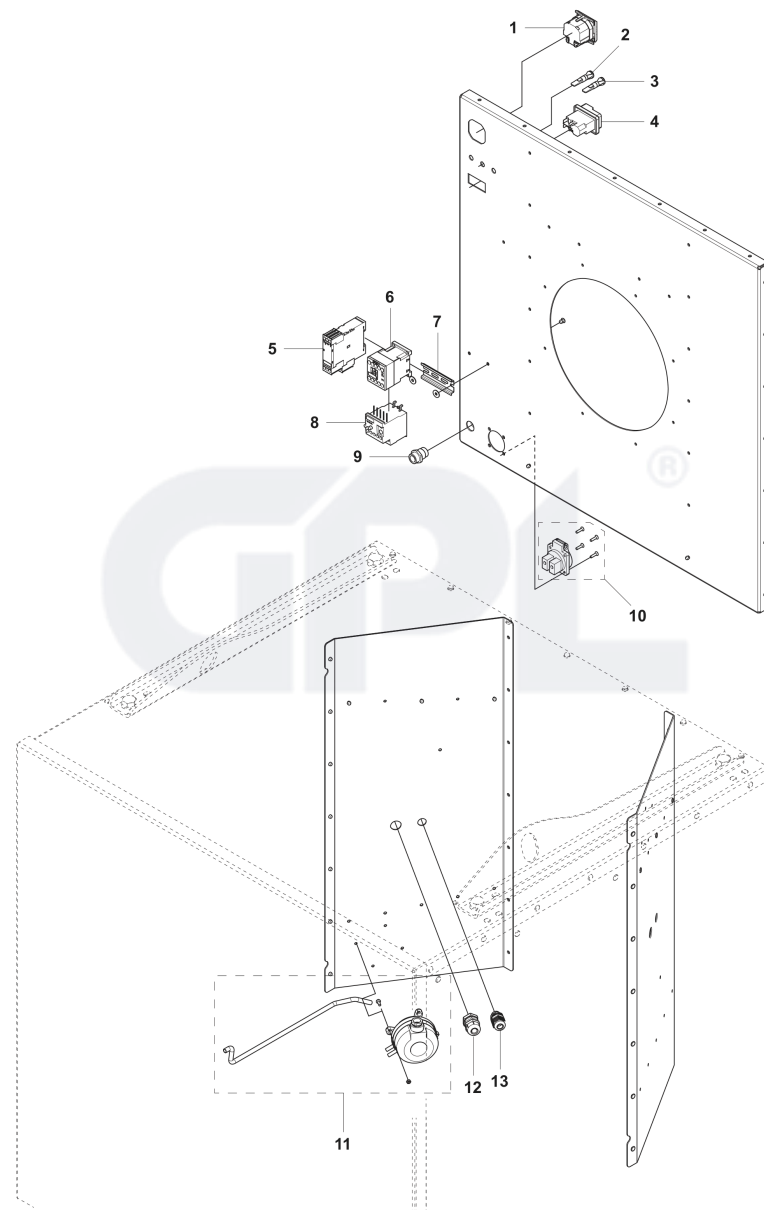

The components are as follows:

- 1:** A small rectangular panel with four circular holes, shown in a dashed box.
- 2:** A large rectangular panel with a grid of small squares.
- 3:** A rectangular frame with four square openings.
- 4:** A circular filter element with a mesh, shown in a dashed box.
- 5:** A circular ring or flange.
- 6:** A circular motor housing or fan cover.
- 7:** A circular motor or fan assembly.
- 8:** A long, narrow rectangular panel with a grid of small squares.
- 9:** A small rectangular panel with a grid of small squares.
- 10:** A small rectangular panel with a grid of small squares.
- 11:** A long, narrow rectangular panel with a grid of small squares, shown in a dashed box.

The diagram shows the assembly process, with parts 1, 2, 3, 4, 5, 6, and 7 being assembled onto the main unit. Parts 8, 9, 10, and 11 are shown separately, likely for optional configurations or replacement parts.
